Dear David

## **LETTER OF COMMENDATION**

Thank you as always for collecting our debts. You never cease to amaze me on your ability to collect payment from the companies that attempt to use all the tricks in the book.

From overseas publicly traded corporations to small limited companies based in London, yet you still manage to get them to pay with the utmost professionalism.

I write this letter to not only hail your abilities to collect payment from difficult debtors but also express our thanks and gratitude to you. You and your company are an indispensable partner to us and we have no hesitation in recommending you to others experiencing the difficulties as we have. I have already mentioned you to my Chartered Accountant over lunch several times, so expect a call or two!

Many thanks again.

Yours sincerely,  
For Alchemy V Limited
